Blackmon Granite
has had work recognized and published in national trade magazine

For almost 30 years Blackmon Memorials has been designing and crafting personalized granite and marble memorials. As a full-service monument company, we sculpt stone into exceptional and enduring

memorial products that pay tribute and respect to individuals whose lives and memories have touched us forever. We offer numerous design options and a broad spectrum of colors from which to choose. We also have extensive experience designing and crafting one-of-a-kind memorials. Blackmon Memorials has one of the largest and most diverse monument displays in the Pee Dee area and offers the best written warranty in the industry. That's why since 1978, families have placed their trust in Blackmon Memorials to provide them with exceptional quality and outstanding service.
